

MEXICO BETWEEN FEAST AND FAMINE

FOOD, CORPORATE POWER, AND INEQUALITY

Professor Enrique Ochoa comes to us from Cal State LA to give a book talk to Soci 202-- “The Social Life of Food”

Event information:

Date: Wed. 4/29

Time: 10-11:15 am

Where: H-414

This presentation will explore:

- The deep contradictions within Mexico’s food systems
- How neoliberal policies have reshaped food production, distribution, and consumption
- How social and cultural consequences challenge romanticized narratives of Mexican cuisine
